

Dear Friend,

My name is Joyce Gipson, and I'm humbly stepping into a big calling, I'm running for Governor of Michigan in 2026 as a Republican. I've lived in this beautiful state my entire life, growing up in Decatur, where my family didn't have much in terms of money, but we were rich in love, faith, and joy.

After graduating from Decatur High School, I earned my associate's degree from Southwestern College and later completed my bachelor's at Andrews University. My heart has always been to serve, and now, I believe it's time to serve Michigan in a greater way.

As your Governor, I will lead with prayer, with wisdom, and in the name of Jesus. My passion is to protect the unborn, fight against the exploitation of our children, and improve care and dignity for our veterans. I believe in strong families, a hopeful future for our children, and a state where transparency, accountability, and righteousness are not just words, but actions.

I know asking for support isn't always easy, especially financially, but I also know that God honors obedience, and I'm learning to be bold in this journey.

If you feel led to support my campaign financially, I would be truly grateful. You can send a check or money order to the address below:
